decades of dysfunction under Boomer leaders and the grotesque spectacle of recent elections, which force us to endure more of the same, provocation may be necessary. For those readers who are Boomers, or have parents or grandparents who are Boomers, it may be of small comfort that this book does not argue that all Baby Boomers are sociopaths ...

A cri de coeur against baby boomers, who "unraveled the social fabric woven by previous generations in the interests of sheer selfishness.". Having made a fortune in social media (PayPal, Facebook) and leveraging other people's property (Airbnb, Lyft), venture capitalist Gibney is now ticked at having to shoulder the debt of that vast population—75 million, at last count—born between ...

Boomers inherited a healthy nation, but will leave behind one that is badly broken. Gibney: "Boomers inherited some of the lightest intergenerational burdens in American history and will leave some of the greatest." Boomers were born in the richest and most dynamic economy the world had ever seen, mid-century America. And they squandered the ...
