[Annual Review of Critical Psychology - The Critical Institute](#)

This special issue of the Annual Review of Critical Psychology brings together current research of Kritische Psychologie as well as work inspired by or developed in response to it. Scholars are presenting in 63 articles how they are working in and with this tradition of thought. They describe, how they explore the problems people are confronted with in their everyday world, they share how they ...

[\(PDF\) Critical Psychology - ResearchGate](#)

Critical psychology is a branch of psychology that is aimed at critiquing mainstream psychology and attempts to apply psychology in more progressive ways, often looking towards social change as a means of preventing and treating psychopathology. One of Critical Psychology's main criticisms of conventional psychology is how it fails to consider or deliberately ignores the way power differences between social classes and groups can impact the mental and physical well-being of individuals or ...

[Educational Psychology : Psychology, Psychology: CTI ...](#)

Critical psychology alerts us to the limitations of mainstream research in the discipline, and it promises to put 'social' issues on the agenda in the whole of psychology. A starting point of the stance of critical psychological research is that the claims that psychologists make about human beings often seem to vanish almost as quickly as they are discovered. People, a group or culture do ...
