The Stories Of English David Crystal

So for me, David Crystal's book is a delight and a revelation; page after page of wonderful examples and explanations which unfold the mysteries of English and explain its quirks and riches and complexities. It is both erudite and entertaining, covering the chronological story from its Celtic beginnings, through linguistic invasions (eg Norman French) to its modern-day reach and variety. Crystal deals with real English, too, the living language as she is spoke, not the prescriptive textbooky ...

The Stories of English by David Crystal - Goodreads

David Crystal describes how the ancient kingdoms of Wessex, Mercia, East Anglia, Northumberland and Kent each contributed to what we know as “Standard English.” These historical kingdoms have left their mark on the regional dialects and accents of England and the US. Later interactions with other languages around the world gave a subtlety and complexity to English that made it highly expressive. Crystal traces English's improbable ascent to world power. Throughout, there has ...

David Crystal, The Stories of English, p. 520 – 529 (Penguin Books, 2005) ... one complainant to my Radio 4 series English Now in the 1980s tabulated all split infinitives heard on that channel for a week, and, judging by the dozen or so pages of neat handwriting he submitted, he had spotted most of them. Regrettably, such enthusiasm is generally accompanied by a harmful narrowness of vision ...

The Stories Of English by David Crystal - Penguin Books ...

David Crystal's "The Stories of English" is an excellent book. Here's why. For one thing, his approach to the history of the English language is significantly different from that taken by most other authors on the subject. For another, his presentation is linguistically professional without being dull. The title of the book is important: it focuses the thesis. Crystal traces the development of ...
