The Stories of Ibis (?????, Ai no Monogatari) is a Japanese science-fiction light novel by Hiroshi Yamamoto (?? ?) and translated by Takami Nieda. Yamamoto considered this to be an easier read than his earlier science fiction novel 'God Never Keeps Silent' because of its "light novel touch". The light novel was published in Japanese by Kadokawa Shoten and in English by Viz ...

The Stories of Ibis is one in a series of books by Japanese SF authors translated into English and published by Haikasoru. One of the nice things about them is their originality. Japanese SF author have a clearly different take on SF compared to Western authors. Also somewhat surprisingly, technology and science play a less important role than the psychology and the social interactions of the main characters.
